DIRECTIONS

STITCH EXPLANATIONS:

shell (2 dc, ch 2, 2 dc) in indicated st or ch-sp.

V-st (V-stitch) (Dc, ch 2, dc) in indicated st.

1. Mat is worked in one piece in joined rnds of a circular ripple pattern.
2. The ripple pattern consists of 12 "points" and 12 "valleys". There is a space at each point and valley. The space at each point is formed by the ch-2 sp of a shell. The space at each valley is formed by skipping 2 sts. As rnds are worked, a shell is worked in the ch-2 sp at each point and 2 sts (1 st on each side of the sp) are skipped at each valley.
3. Yarn color is changed to form rings of "web". Change yarn color by fastening off old color and joining new color as instructed. To complete the web, cross strands are crocheted across surface of mat from each point to center ring.
