BE SURE TO CHECK YOUR GAUGE.

NOTES

1. The Cowl is crocheted in one piece in the round.
2. Due to the lush fur texture of this yarn, you may not be able to see your stitches. We found it easiest to feel for the next stitch.
3. If you'd like to keep the yarn contained as you work, slip the ball into a zippered plastic bag. Zip the bag closed, leaving an opening for the strand of yarn.

COWL

Chain 43.

Set-Up Row: Single crochet into the 2nd chain from the hook and in each chain across – you will have 42 single crochet in this row. Join with a slip stitch in top of the beginning chain to begin working in the round.

Round 1: Chain 1, single crochet in each stitch around; join with a slip stitch in top of the beginning chain.

Tip

On each round, count your stitches as you work around. This way, if you miss working into a stitch, you can simply make an extra stitch into the edge of the Cowl to keep your total number of stitches consistent.

Repeat Round 1 until almost all yarn has been used.

You don't need to end exactly at the end of a round – this yarn is very stretchy and it won't show if you stop crocheting at any point in a round.

Fasten off.

FINISHING

Thread ending yarn tail into the blunt needle, then weave through stitches on the inside of the Cowl to secure the yarn end. Thread beginning yarn tail into the blunt needle and sew the beginning and the end of the Set-Up Row together, then finish weaving in the tail.
