COLLECTION

EILEEN COLLECTION

EILEEN 220 / 260

MATERIALS

CERTIFICATION

Eileen is an outdoor table collection with an industrial-edge.

Base made from stainless steel powder coated in black or white.

FSC certified timber

The design is strongly defined by its frame - a central stretcher rail made from two folded stainless steel sections which connect to tapered blade legs with a perfect disc shaped foot.

Table top available in oiled thermo treated ash or in High Pressure Laminate (HPL) in white or black, always with black edge.

DESIGNER

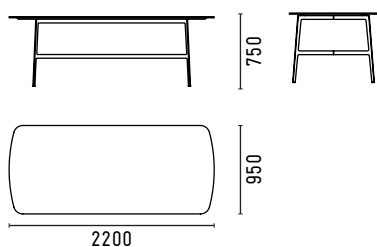

The unique frame is offset by the gently curving ends of its table top.

Both table tops are suitable for indoor and outdoor use.

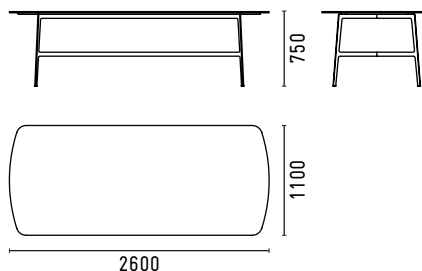

Tom Fereday, 2016

EILEEN COLLECTION

EILEEN ROUND

Eileen is an elegant table designed for outdoors, with an aesthetic that will work well in both residential and commercial settings.

The design is strongly defined by its frame - a central stretcher rail made from two folded stainless steel sections which connect to tapered blade legs with a disc shaped foot.

MATERIALS

Base made from stainless steel powder coated in black or white.

Table top available in marble in Bianco Carrara, Nero Marquina, Verde Guatemala or Rosso Levanto, in polished or honed finish, sealed for outdoor use.

Table top also available in High Pressure Laminate (HPL) in white or black.

VARIANTS

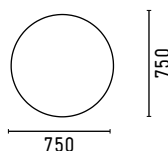

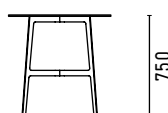

The table is available in three different sizes:
75 dining height, 75 bar height, and 90 dining height.
