

LING

ARMCHAIR

LING ARMCHAIR

Ling is a beautifully detailed and elevated seating range with chameleon-like qualities.

Choose a natural ash frame and Ling evokes a sense of Danish design and sculptural simplicity. In the carbon stain, the pieces has greater intensity and a more masculine, architectural feel.

The upholstered back panels are more than just supporting elements; they're integral to creating this range's beautifully defined shape.

DESIGNER

Metrica, 2015

CERTIFICATES

CATAS
FSC certified timbers

MATERIALS

Frame is made of solid ash with supporting back panels in upholstered and shaped steel.

Upholstered structure made of multi-density polyurethane foam with Dacron and feather wadding supported on a bed of elastic webbing.

Frame available in natural and carbon stained ash. Available in a wide range of indoor fabrics and leathers.

Loose cushions LSC38 and LSC56 are available separately.
