

TOWER 15 WINERY | 2020 CHENIN BLANC

ABOUT OUR CHENIN BLANC

Our Tower 15, 2020 Chenin Blanc is versatile in style and highlighted by bright acidity, proving to be a wine for every occasion. The small quantity of grapes are sustainably farmed and sourced from Jurassic Park Vineyard, producing a textured wine with abundant minerality and exotic fruit. The grapes for this wine were hand picked and gently pressed into a small stainless steel tank. After 2 day of settling, the juice was racked off its lees into a second tank and then barreled into 100% stainless steel barrels. Once fermentation began, the barrels were stirred daily with a concerted effort to keep the temperature below 68°F. When fermentation completed, the drums were self-topped via gravity. This wine continued to age in stainless steel barrels for 120 days.

WINEMAKER NOTES

It shows nuanced layers of citrus peel, peach, and wet stone that remain light-bodied with crisp ripe acidity and spice hinting towards applesauce flavors.

ABOUT TOWER 15 WINERY

To produce powerful, small lot, nuanced wines.

Tower 15 Winery produces limited bottlings of bold, inspired, varietally-driven wines with grapes purchased from small, family-owned vineyards across California's Central Coast. Our vineyard partners share our commitment to the region, as well as our values for healthy and sustainable farming. From the Central Coast wine-growing region, we are able to source a wide range of high-quality grape varieties resulting in an unprecedented diversity of bottlings for Tower 15. Our customers are able to expand their passport of wine drinking, experiencing diverse and scarce wines typically associated with the wine-growing regions of Europe, all in one sitting. Each Tower 15 wine presents an expert balance of power and nuance.
