

## KAERCHER ST 400 BP

The Kärcher professional trimmer operates with 50 V lithium-ion battery technology, delivering impressive performances particularly in maintenance of greens and difficult to reach areas.

### **1 Full compatibility of the battery with all machines in the Kärcher Park & City Solutions range**

- Maximum flexibility. The compatible battery can be quickly switched to other machines.

### **2 No emissions of harmful substances or CO2**

- Environmentally friendly and user-friendly. No petrol smells during work.

### **3 Up to 50% quieter than petrol-powered machines**

- Enables use in noise-sensitive areas such as residential areas, near schools and at night.

### **4 Significantly lower vibration compared to petrol-powered machines**

- Long, fatigue-free operation enables longer work intervals.
