1. Cowl is made from 30 Squares. Square #1 is knit, then subsequent Squares are worked by picking up sts along edge of previous Square, following a diagram. Remaining edges between Squares are sewn together.
2. Squares are worked back and forth in rows, changing yarn color every other row, to form vertical stripes of Spiked-Leaves.
3. Work back and forth in rows on circular needle, just as if working on straight needles.
4. Edging is worked along top and lower edges of Cowl.
