Instructions for use

Use a Phillips screwdriver to unscrew the battery door on the underside of the control unit. Install 3 x AA batteries (not included) ensuring that the batteries are the correct way around. Align the positive (+) and negative (-) ends of the batteries with the corresponding markings inside the battery compartment. Close the battery compartment door and tighten up the screw.

Lay the Piano Mat out on a flat surface, ensuring there is plenty of space around it. Your kids will be all over the place having fun playing it.

Turn the Piano Mat on by sliding the power switch on the controller to 'ON'. A tone will sound.

Play Mode

Press the PLAY star. You can now play songs by stepping on the piano keys, you can use your hands also. To change the instrument sound, there's 10 instruments to choose from, just press the instrument icons on the mat.

To adjust the Volume press the Volume icons Up or Down to increase or decrease the sound.

If no keys have been played for 3 minutes the Piano Mat will enter sleep mode to conserve battery power. Press any key to resume.

Demo Mode

Press the DEMO star to start to play the first song. The Demo indicator light will illuminate on the control unit and the first song will start. Press the Black Keys to change the demonstration song - there's 7 to choose from. The white keys are not available to use in Demo Mode. You can switch to any other mode at anytime by pressing the Star for that mode.

Record / Play Back Mode

Press the RECORD star, a tone will sound and the indicator on the controller will light up. You can now start to record by playing your song. The default instrument tone is Piano. You can change the instrument at any time by pressing the instrument icons while your song is being recorded. When you have finished recording your song PRESS THE PLAY BACK star. Your song will then be played back to you.

Note: If you press the Record button after playing your song it will be deleted. You must press the PLAY BACK star to hear your recorded song.

The Piano Mat will stop recording once the memory is full. By pressing record any previously recorded song will be deleted.

Care and Maintenance

Store away when not in use.

Use a soft dry cloth to wipe over the Piano Mat if needed.

Always make sure it is switched off when not in use to preserve battery life.

Suitable for children aged 3+. Warning not suitable for children under 36 months.

To reduce the risk of injury adult supervision is required at all times and plenty of space around the mat is recommended.

Do not expose the batteries to any heat source. Keep batteries out of reach of children and pets.

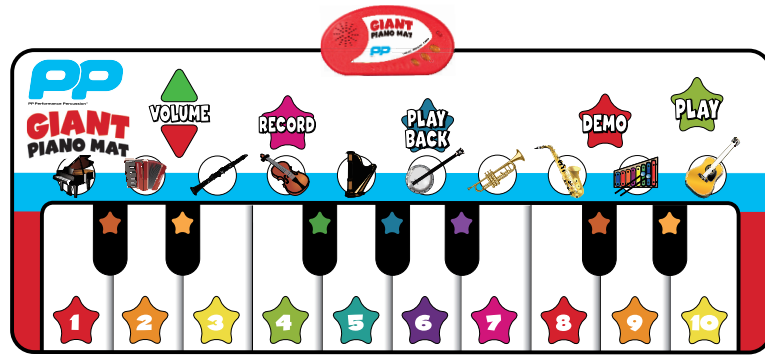

Be sure to always observe the correct polarity of batteries when inserting.

Avoid contact with water and liquids.

DO NOT WEAR SHOES when playing.

Learn to play these songs by following the colours and numbers on the piano mat.
