## GAUGE

16 sts + 22 rows = about 4 in. (10 cm) over St st (k on RS, p on WS).

BE SURE TO CHECK GAUGE.

## NOTES

1. Afghan is worked in St st (k on RS, p on WS) with Garter st (k every st of every row) top and lower borders.
2. A circular needle is used to accommodate the number of sts. Work back and forth on the circular needle as if working with straight needles.
3. Colorwork is worked in intarsia and St st, following Charts. Read RS rows of Charts from right to left and WS rows from left to right. Each square of Chart represents one st worked in the indicated color. It helps to use a highlighter to keep track of your rows.
4. When working intarsia, do not carry yarn across WS of work over a large number of sts between color changes. Use a separate ball for each section of color. Twist yarns on WS to prevent holes. Before beginning, wind yarns into multiple separate balls.
