FINISHING

Weave in ends.

Fringe

For each fringe, cut 2 strands about 20 in. (51 cm) long. Hold strands together and fold in half. Use crochet hook to draw fold through edge of Hanging at one end of Row 30, forming a loop. Pull ends of fringe through this loop. Pull to tighten. Make fringes in each end of all rows along lower diagonal edges of Hanging. Trim fringe ends at an angle.

Attaching Hanging to Dowel

Thread blunt needle with a long strand of yarn. Knot end of strand to the top edge of the Hanging.

Hold the dowel against the top edge of the Hanging. Loop the yarn over the dowel then draw through the top edge of the Hanging.

Continue in this way until the top edge of the Hanging is fully attached to the dowel.

Knot yarn.

Hanger

Thread blunt needle with a long strand of yarn in color as desired. Draw strand through one top corner of Hanging and knot. Draw remaining end of strand through opposite top corner of Hanging and knot.

If desired, trim yarn ends of the hanger.
