FINISHING

Weave in ends.

Fringe

Cut 20 strands of A, 10 strands of B, and 60 strands of C each about 12 in. (30.5 cm) long. For each fringe, hold 2 strands of matching color yarn together and fold in half.

With crochet hook, draw fold through a stitch along lower edge of piece, forming a loop. Pull ends of fringe through this loop. Pull to tighten. From RS of Wall Hanging and working from right to left, make 10 fringes with A, 5 fringes with B, and 30 fringes with C, with 2 strands of yarn in each fringe.

Beg from right edge of A fringes, starting at about 3 in. (7.5 cm), cut A fringes in a downward angle to the left.

Beg from left edge of B fringes and starting at about 2 1/2 in. (6.5 cm), cut B fringes in a downward angle to the right.

Beg from left edge of C fringes and cutting at about 4 in. (10 cm), cut C fringes straight across.

Attach Hanging to Dowel

Thread blunt needle with a long strand of A.

Knot end of strand to one top corner of Hanging. Hold dowel against top edge of Hanging. Loop yarn over dowel then through top edge of Hanging until Hanging is fully attached to dowel.

Knot yarn.

If desired, and being very careful not to allow iron to touch the Hanging, steam block piece.

Hanging loop

Cut a length of A about 28 in. (71 cm) long, and tie one end of yarn around one end of dowel and the other end around opposite end of dowel for hanging.
