## **Textured & Mineral**

Mure is a family owned winery that dates back to the mid 1600's. Located near the magical terroir of Rouffach, the family is a reference for the quality of biodynamic wines.

Muré's Sylvaner is a lovely wine. On the nose, it delivers delicate aromas and flavours of quince, green apple and mineral. On the palate, it finishes long and clean with a soft refined perfume.

Lovely as an aperitif; a must with shellfish and asparagus dishes!

# About the Winery

## Domaine Muré

The Muré family have been winegrowers in the region of Rouffach since 1650. In 1935, Alfred Muré, René's grandfather, bought Clos St Landelin, a 32 acre family-monopole vineyard. Nowadays it is Alfred's grandson René, together with his children Véronique and Thomas, the 11th and 12th generations of the family, who are responsible for running this exceptional, wholly-owned vineyard and its neighbouring terroirs, using biodynamic methods. To express the "terroir" in the wines and to preserve the heritage is the Muré family's credo. Their wines are known for power, elegance and age worthiness.

## Wine Align

#### 92 points - Sara d'Amato

Oily, mineral and offering great intensity - an unusually characterful sylvaner that should be a hit with Alsatian wine fanatics. Transparent, dry, vinous and notable complex. Stoney and refreshing with hints of dried herbal and a great deal of citrus. Mouth-filling with petrol and wet stone lingering on the finish of excellent length. Tasted September 2020.

#### 90 points - David Lawrason

Sylvaner is not the showiest of varieties in Alsace but it has an almost riesling-like acid grip that makes it a very food friendly choice. This shows generous lychee, vaguely garlicked and perfumed saffron aromas. Intriguing. It is medium bodied, fairly firm and dry with a lemony and nutty finish. The length is excellent.

## Vinous

#### 90 points - Ian d'Agata

Very pale, crystal-clear straw-green. Delicate aromas and flavors of quince, green apple and minerals. Finishes long and clean with refined perfume. The name Originel refers to "in the beginning" because in the 1960s and 1970s, Sylvaner was the donminant grape variety in the valley (the Zinnkoepflé Grand Cru, for example, was almost entirely planted to Sylvaner and Gewürz). Lovely, above-average aperitif wine here; or try it with shellfish and asparagus dishes.
