### Contents

- Pop-A-Tops Dice Dome
- Pop-A-Tops Tin
- 32 Dinosaur Cards

 2+ Players | Ages **6+**

### Aim:

To 'win' the most Dino cards!

### Set up:

Place all the cards  
Dino image face up  
on the table around  
the Pop-A-Top  
dice dome.

### Play:

Youngest player goes first. On your turn,  
press the Pop-A-Top to roll the dice.

All players look at the symbol (category)  
rolled.

All players race to grab a card of the Dino  
they think has the biggest value in that  
category.

All players turn their cards over, the player  
with the highest score in the category  
(shown on the dice) wins and keeps the  
card. The remaining cards are placed back  
into play, Dino image face up.

If 'Pick Any?' is rolled that player gets to  
choose the category, giving them a head  
start.

Play continues clockwise using the  
remaining cards.

### To win:

The player with the most cards at the end of the  
game wins! For a shorter game decide on a  
number and be the first to reach that score: 7 works  
well for 2 players, 5 works well for 3 or 4.

### Highest Or Lowest!

Optionally, you may choose to  
play with Highest Or Lowest of  
each category. The player  
whose turn it is will say 'Highest'  
or 'Lowest' after pressing the  
Pop-A-Top to choose whether all  
players need the highest or the lowest  
scores to win that round.
