# PING PONG BALL PLAY IDEAS

Suitable for 5+ years

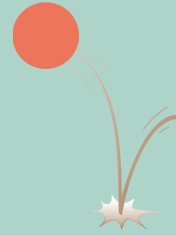

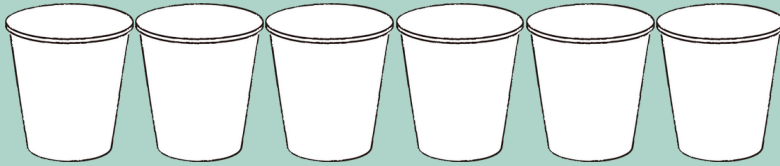

Let's  
PLAY

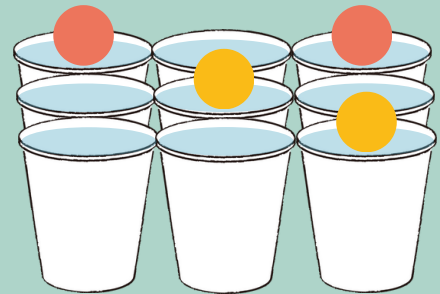

**J A Q U E S**  
L O N D O N

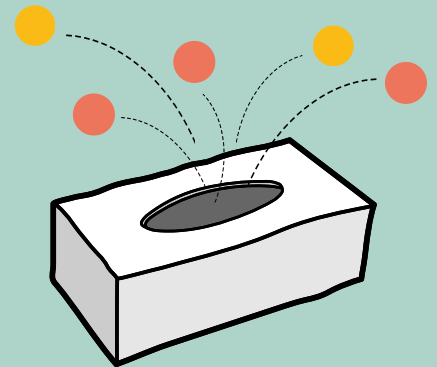

- 1** Each team lines up a row of cups and goes along bouncing the ping pong ball into each of the cups. First team to finish wins the boat race!

- 2** Each team throws balls into cups of water from equal distances away. First team to land in 5 cups wins the game!

- 3** 1 person in each team has 10 ping pong balls in the empty tissue box strapped to their waist. They have to shake their box to get all the balls out (no hands allowed!). First to empty their box wins!

- 4** Have 2 plates close together and blow each of the balls onto the opposite plate. So, the left side now has all yellow and right side has all red (you can draw on the balls to differentiate them if you only have white balls).
