NOTES

Wrap is worked in four granny squares that are seamed together. Squares are worked in joined, turned rounds and increase by 4 double crochet clusters per round (1 per side). Double crochet clusters are separated by 1 chain along each side and by 2 chains at each corner. When a color change occurs mid-round at a corner, the first chain is worked normally and the second chain is worked by drawing the new color through the loop on the hook, which still makes both chains the old color. Chart is provided.
