SKU: MTL-R80-STN-PBL-01

FINISH: STONE POWDER-COATED SPECKLE FINISH

Mantle is a compact, battery-powered portable lamp by Tala. Designed to mimic the magic of candlelight in any dining setting, the slender size and conical form allow the light to project evenly onto the table surface, while the fin-like handle encourages easy interaction. Made from stainless steel, the lamp is complete with a powder-coated and speckled finish to reference traditional tableware materials.

The battery and light source can all be easily replaced. For replacement parts, please visit our website or contact us at customerservice@tala.co.uk.
