

## PullThrough Pro Charging

The easiest way to allow guests to charge their mobile devices.

### PullThrough Pro Charging

- Convenient and secure presentation of guest facing USB charging cable.
- Sleek, stylish design for any hotel guest room.
- Brushed Aluminum/Black or Black.
- Optional hotel branding on cap<sup>1</sup>.
- Simple, secure installation.
- Supplied with 3-in-1 charging<sup>2</sup> cable.

PullThrough Pro Charging provides guests with a convenient 3-in-1 USB cable for charging their mobile devices.

Its compact, weighted design keeps the cable easily accessible and helps prevent cables from being lost or removed from the guest room. Supplied with 3-in-1 charging cable; charger not included.

<sup>1</sup> Subject to MOQ.

<sup>2</sup> A suitable USB charger is also required, not supplied.

<sup>3</sup> DeskCard and insert must be ordered separately.

### DeskCard Compatible

Compatible with DeskCard<sup>3</sup> for guest instructions or marketing collateral.

### Colour and Branding

Choose brushed aluminum with a black cap or all black. The cap can also be customized with your hotel branding.

### Simple Installation

Place the cable in the PullThrough Pro base and lock the cap in place. Connect the Ethernet cable suitable RJ45 outlet. The supplied double-sided adhesive pad can be used to secure the unit to furniture.
