

Nelly

Nelly table light is an adventure in form and colour with its striking appearance bringing an element of sculpture and the surreal to interior spaces. Available in a range of playful colours, Nelly is slip-cast in ceramic with a glossy glaze highlighting the unusual form. A hand-blown opal glass orb perches atop the arch, giving off a warm glow which can be used in both a decorative and functional capacity.

Nelly comes in a range of configurations, please visit the Jordan website for more details.
