## NOTES

1. Pillow is made in 2 pieces: Front and Back. Each piece is worked back and forth in rows.
2. Choose 2 of the 3 Panels to make your one-of-a-kind Pillow!
3. Instructions are provided for My Gal Panel, My Guy Panel, and a Striped Panel. Mix and match the panels as you like!
4. On My Gal and My Guy Panels, yarn color is changed to form letters, following Chart(s). Read RS rows of Chart(s) from right to left and WS rows from left to right. Each square of Chart(s) represents one single crochet st worked in the indicated color. It helps to use a highlighter to keep track of your rows.
5. On Striped Panel, yarn color is changed following a Stripe Sequence.
6. To change yarn color, work last st of old color to last yarn over. Yarn over with new color and draw through all loops on hook to complete st. Proceed with new color. Do not cut old color until instructed. When working My Gal or My Guy Panels, carry color not in use along WS of piece. When working Striped Panel, carry unused color loosely along side edge of piece.
