

HOW TO PLAY

- 1** Draw a card from the deck and read it aloud.
- 2** Each player (in no particular order) now shares their best story for that card. Try to keep your story to less than a minute!
- 3** If you don't have a story, you can just pass.
- 4** After all stories for the prompt have been shared, the group votes on the best story.
- 5** Whoever gets the most votes keeps the card and gets a point.
- 6** First player to 5 points wins!
