

# TTPO30PU

## Lightweight cut level A4 PU palm coated glove

The O30PU remains one of our largest selling cut resistant gloves in the range. With a soft, lightweight cut level A4 shell, it is ideal environments where protection and dexterity are key. The seamless knitted shell provides a close fit for picking and fitting small pieces/ parts.

The tough and durable polyurethane palm coating provides high cut and abrasion resistance making it also suitable for glass handling, automotive and general assembly.
