

VN Trends 100% Cotton Face Masks – General Information

- Our cotton face masks are made to the highest quality and we currently count large national retailers among our satisfied customers who continue to re-order following excellent sales.
- Our face masks are supplied in individual retail packaging, making them hygiene safe, secure and protected for each wearer. Each retail bag features the key benefits of our masks, instructions and retail barcode.
- VN trends have certification to prove the quality and effectiveness of our masks up to 30 washes, however we know that our masks do last longer than this without the performance being compromised. Certificates for the testing follows at the end of this document.
- All of our face masks are washable, reusable and are made of 2 ply 100% cotton fabric. The soft cotton elastic ear loops mean that they are comfortable and secure to wear for long periods of time.
- We offer a variety of colours, which are one size fits all due to the elastic ear loops.
- Easy to wash, recommended to be hand washed each time after use and then left to air dry before wearing once again. The cotton does not bobble, fade or discolour.
- Our face masks can be ironed, on the reverse side of the logo, and the original shape will be retained.
- For large orders, each individual mask is packed into bags of 80, these are then in boxes of 1000 (12 bags of 80, 1 bag of 40) for easy deliveries into most distribution or fulfillment centres.

Face Masks – With Logo, Provided in VN Trends Packaging

Our original and best-selling line, the Garcotex quality cotton face masks have been a staple in many retailers since first launched in spring 2020.

Popular with large national retailers and many convenience stores, these remain the 'go to' option for many and have achieved excellent levels of sales for our customers.

Our stock is UK based and therefore we can guarantee swift delivery times from our warehouse to yours.

We are able to offer the following colours, Black, White, Wine, Light Blue and Dark Green.

Prices listed ex VAT.

Quantity	Delivery Time	Price Per Unit
100-500	2 - 3 days	£1.50
500-1000	2 - 3 days	£1.45
1000-10,000	2 - 3 days	£1.40
10,000	2 - 3 days	£1.35

Face Masks – No Logo on Mask – Provided in VN Trends Packaging

Should you wish to purchase our face masks without any company branding, and in their existing retail packaging, we can ship these out to within 5-10 working days.

We have found that this range of face masks is ideal for ages 13+ and is incredibly popular in the return to school due to the plain colour choices.

We could offer the following colours, Black, Royal Blue, Red, and Lilac

Prices listed are ex VAT

Quantity	Delivery Time	Price Per Unit
100-500	2 – 3 days	£1.50
500-1000	2 – 3 days	£1.45
1000-10,000	2 – 3 days	£1.40
10,000	2 – 3 days	£1.35

Face Masks with Company Specific Logo on Mask and Bag

At VN Trends we have the capability to manufacture the face masks with your own logo on the mask, which can then be supplied in plain retail packaging

As they would be specific to the branding of the company, the lead time for this would be approximately 2 weeks and the prices would be as outlined on the table shown.

Due to the nature of them being specific to the company with their branding, payment would need to be made upfront on a pro forma basis to allow production to commence.

We could offer the following colours for bespoke face mask orders; Black, Royal Blue, Red and Lilac.

Prices listed are ex VAT

Quantity	Delivery Time	Price Per Unit
5000	14 days	£1.65
10,000	14 days	£1.60
10,000+	14 days	£1.55

Children's Face Masks – Provided in VN Trends Packaging

Due to popular demand we have decided to extend our range of face masks and offer them in children's sizes.

These will be available in individual packets, and in two different sizes; age 3 - 7 and age 8 - 12.

These will have the same silver ion technology as our adult face masks and be pre-packaged in the same individual retail packets.

We are offering 5 colour ways; Camouflage, Red, Black, Royal Blue and Lilac. They are plain without any logo on the face mask.

Quantity	Delivery Time	Price Per Unit
100 - 500	2 - 3 days	£1.50
500 - 1000	2 - 3 days	£1.45
1000 – 10,000	2 - 3 days	£1.40
10,000 +	2 - 3 days	£1.35

Face Masks – User Guide and Washing Instructions

- Wash the mask gently either by handwashing in cool water with small amount of detergent
- Can also be machine washed at 40°C. We recommend placing in a wash bag to protect elastic from being caught.
- Allow to air dry overnight if possible.
- Face masks can be ironed and they will retain original shape and fit.

- Step 1: Wash your hands before putting on the mask.
- Step 2: Hold the mask by the ear loops, be sure to identify the upper and lower parts and the inner and the outer parts.
- Step 3: Place a loop around each ear.
- Step 4: Mold the stiff edge to the shape of your nose.
