

TTP840

Cool touch seamless knitted cut resistant sleeve

The 840 sleeve is a lightweight cool to the touch sleeve which is breathable and comfortable to wear for long periods.

A unique built in elastic area to the top of the arm prevents the sleeve from falling down without the need for additional clips or velcro and a thumb slot keeps the sleeve securely in place.

Providing ANSI level A4 cut resistance it is ideal for handling sheet materials, metal stamping and glass manufacturing.

Product Specifications

Product Code	840
Sizes	22" S – XL
Sleeve Base	Tilsatec – RhinoYarn®
Construction	Seamless Knit
Cuff/Wrist	Elastic Wrist
Origin	USA

Packaging

Case Quantity	250 each per case
Internal Packaging	10 each per bundle

Performance

ANSI 105: 2016

CUT

EN388: 2003

X4XX

Available Sizes & Cuff Colors

Size	S	M	L	XL
Cuff
