

CRAFTSMANSHIP AND EXPERTISE

With our vast knowledge of interior design and appreciation of craft, Stickley is uniquely qualified to bring you designer rugs of the finest quality and artistry. We source the world's best wool and silk, work directly with the most skilled weavers, and carefully select designs and colors that best complement today's interiors. Our goal is that, like our furniture, Stickley hand-crafted luxury rugs become family heirlooms that generations will enjoy.
