INSTRUCTIONS

Using a pencil, draw SALTY'S HEAD SHAPE ONTO THE PAPER PLATE.

Using scissors, cut CAREFULLY ALONG THE DRAWN GUIDELINE. ONCE DONE, YOU SHOULD NOW HAVE A BASIC HEAD SHAPE!

Grab your blue foam sheet, and cut an oval shape out of it. This will be Salty's nose! Glue this onto the plate as shown.

INSTRUCTIONS

Grab your grey foam sheet, and then cut a square out. This will be Salty's patch! Glue this onto the top left of the plate.

Cut out the ears from the templates page, and stick them on on the top of the head.

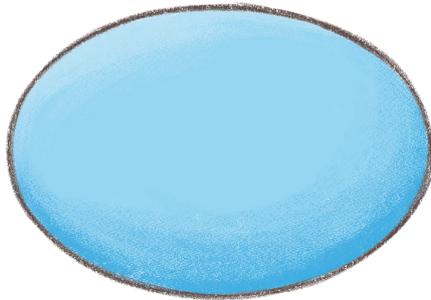

Now grab a sharpie (or any black pen), and draw in the final details. The eyes, the mouth, the eyebrows and the patch lines.

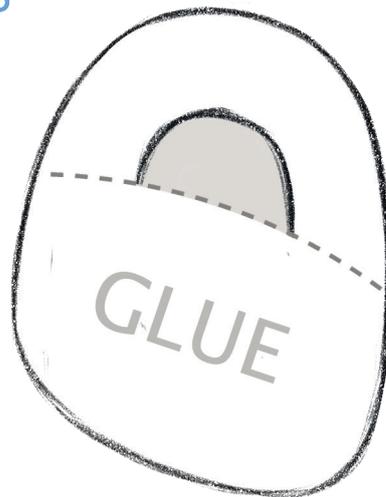

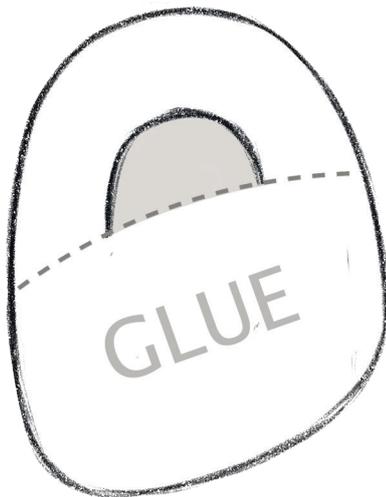

And there you have it! Your very own Salty, the Polar Bear, plate!
