INSTRUCTIONS

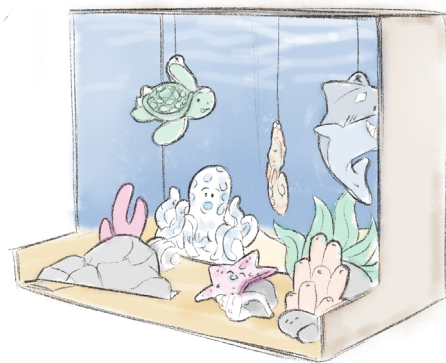

1. Start with a small cardboard box.

2. Using scissors, cut the box to the shape as shown above.

3. Then grab a paintbrush and some paint, and paint a lovely ocean scene! This will be the stage for all your friends!

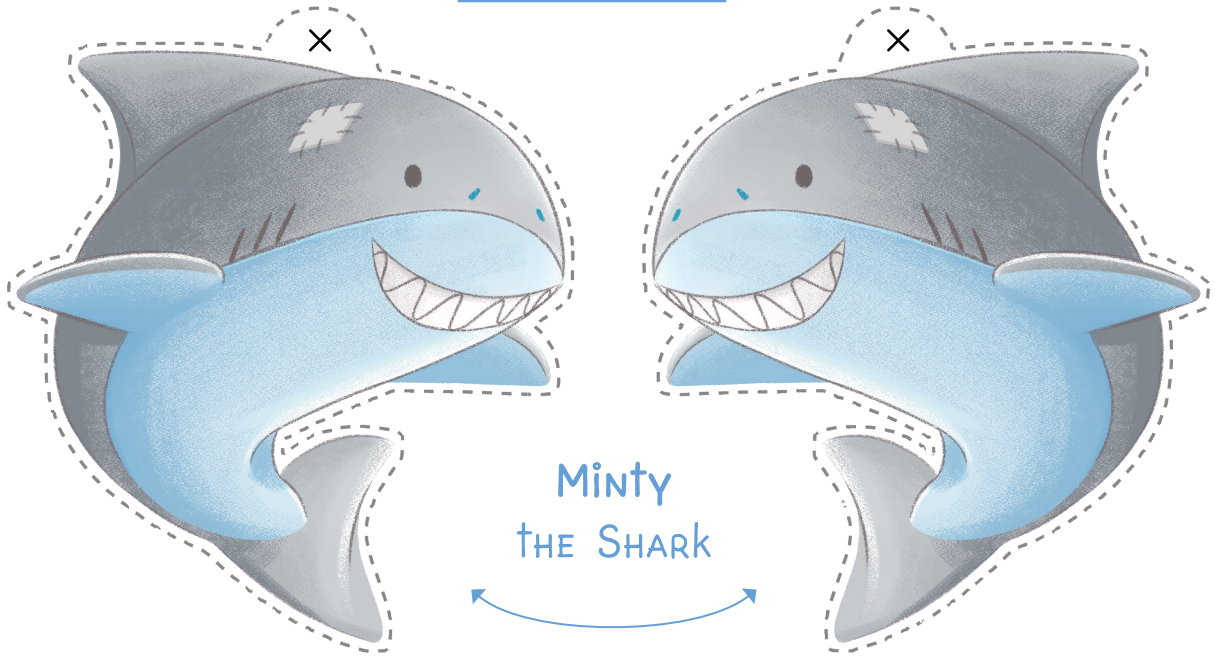

4. Next, cut out the characters. Add string to those marked with an X, and hang them from atop as if their floating like a real sea creature. Then cut out the scene props. Fold as shown, and place into the scene as you wish.

TIP: Try adding some real SEA SHELLS or STONES to give your diorama that extra boost to the scene!
