NOTES

1. Sweater is worked in 3 pieces: Body and 2 Sleeves.
2. Body is worked in rnds from the lower edge upwards. Body is divided at underarms and front and back are worked separately, back and forth in rows, up to shoulders.
3. Sleeves are worked separately, back and forth in rows.
4. Cable pattern can be worked by following written instructions or reading Charts. When working in rnds, read all rnds of Chart from right to left. When working in rows, read RS rows from right to left and WS rows from left to right.
5. When you see 'as established' in the instructions, this means to continue in the current pattern st, lining up sts as in previous rows.
6. When you see 'work even' in the instructions, this means to continue on in the pattern st you have established without changing the st count by increasing, decreasing, or binding off.

Place marker for beg of rnd. Join by working the first st on left hand needle with the working yarn from the right hand needle and being careful not to twist sts.
