ORNAMENT

A super quick and fun way to add sparkle to your holiday décor!

Yarn filled ornaments are a great project for children to do – just be sure to provide adult supervision for the littlest ones when removing and attaching the ornament cap.

Simply open the cap of the ornament, fill the ornament with a length of yarn, then replace the cap. One ball of yarn will fill multiple ornaments.

The ornaments can be hung on your tree or arrange a few in a bowl or basket!

Every effort has been made to produce accurate and complete instructions. We cannot be responsible for variance of individual knitters or crocheters, human error, or typographical mistakes.
