NOTES

1. Napkin Ring is made by working single crochet sts over the top of a purchased ring to cover it (covering-sc).
2. Once ring is covered, a rnd of single crochet is worked then ruffles are created by working 3 dc in each st around.
3. Jewels are glued onto the ring for a glittering touch!
4. Yarn quantity is sufficient to make multiple Napkin Rings. We choose to cut and then rejoin our yarn while working – just to add a bit of the contrast yarn color!

NAPKIN RING

Make a slip knot and place it onto hook.

Rnd 1: * Insert hook into napkin ring, take working yarn to back over top of ring and yarn over, draw loop to front (2 loops on hook). Bring working yarn to front over top of ring and yarn over, draw through both loops on hook (one covering-sc made); rep from * until metal ring is completely covered; join with sl st in first sc. Note: Slide the single crochet sts together as you work, so that the sts are very close together with no spaces between them.

Rnd 2: Ch 1, sc in each st around; join with sl st in first sc.

Note

Don't worry if your sts start to become very tight when working the ruffle rnd – just skip a st or 2 if needed!

Rnd 3 (ruffle rnd): Ch 3 (counts as dc), 2 dc in same st as joining sl st, 3 dc in each st around; join with sl st in top of beginning ch-3.

Fasten off.

FINISHING

With craft glue, glue jewels onto ring as desired.

Weave in ends.
