Pinhook has no established flavor profile or proof, only an ethos to produce the best whiskey every vintage.

- The first whiskey from the former Old Taylor Distillery since it was abandoned in 1972.
- All non-GMO and locally-sourced grains.
- Distilled with ground-fed, limestone-filtered spring water, straight from the source.
- Aged by the elements, in non-temperature controlled warehouses at Castle & Key Distillery.
- Non-chill filtered.
- Blended for everyday drinking at a proof that stands up to dilution in a cocktail or when poured over ice.
- Hand-waxed in the signature green that represents Pinhook's annual flagship expression of straight rye.
