**Jump 4 Froglets across the pond without disturbing Big Bad Fish to Win**

### Setup:

Unfold the gameboard and place the Lilypads  
face up over the surface of the pond.  
Each player chooses a colour & places  
their home Lilypad at the  
home end of the board.

## Objective:

Be the first player to return all **FOUR** of their Froglets across the pond.

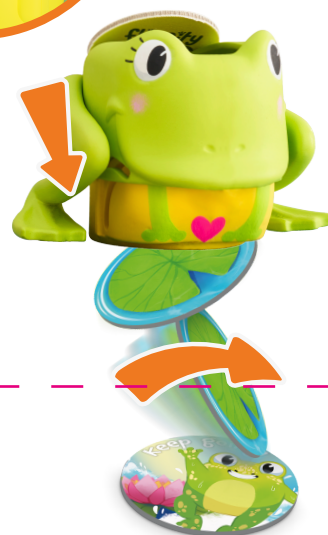

## Play:

Youngest starts by placing one of their Froglets onto the back of Mummy Frog.

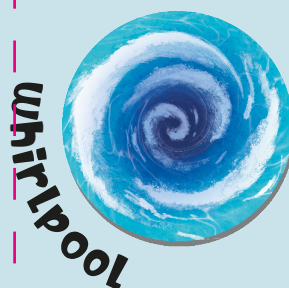

Mummy Frog must leap onto **FOUR** lilypads to cross the pond & return the Froglet to their Home Lilypad.

Push Mummy Frog down onto each Lilypad & she will **Flip** them over as she goes,

The Flipped Lilypads reveal the following:

Jump to next Lilypad or Home if this is your 4th jump

Whirlpool

End of your go. Turn all Lilypads back over & mix them up

Big bad fish

End of your go. Turn all Lilypads back over.

Jump straight Home

If you make it across, place your Froglet on their Home Lilypad, turn all the Lilypads back over & mix them up.

If you don't make it because you turned over big bad fish or a whirlpool, remove your Froglet from mummy frog's back, place it back at the start and pass mummy frog to the next player
