

MERU TRIO PEG RAIL

Product Specification

Tom Raffield

Meru Trio Peg Rail

With origins rooted in the sculptural tree canopies surrounding our Cornish design studio, our collection of steam bent, ash wood storage and accessories celebrates the strength, versatility, and unique character of this sustainable natural material, whilst showcasing forward-thinking design at it's very best.

Diverse, welcoming, and balanced - the Meru Trio Peg Rail brings functional elegance to a wide variety of spaces. A single piece of sustainably sourced FSC ash wood hosts a trio of looping tan, brown or black leather loops, each fixed with a brushed brass tipped wooden coat peg, allowing you to hang, drape or thread your wears. Offering clever wall storage for compact interiors, the Meru wall hook transforms hallway and bathroom spaces with ease.

Signature in style, timeless by nature.

Meru Trio Peg Rail - Black Leather	TR-MERU-F-A-BL	Ash				
Materials	Ash	Other materials				
		Brass collar	Leather Strap			
Finish	Finished with a blend of natural wax oils to give a protective, hardwearing and beautiful finish.					
Care information	<ul style="list-style-type: none"> Finish: The blend of natural oils can take up to four weeks to harden fully. Because of this, particular care should be taken in the first few weeks after delivery before cleaning, see below. Care: Solid wood may expand and shrink with differences in temperature and humidity so take care not to place your furniture directly next to anywhere with excessive changes in temperature such as radiators and windows. Cleaning: To clean on a regular basis wipe the surface with a damp cloth before removing any moisture with a dry cloth. Wipe off anything that will stain straight away, eg red wine, balsamic vinegar, oil, tea, coffee, alcohol, etc. In the event of severe spillages and stains the surface can be lightly re-sanded and re-oiled - please talk to us or a professional furniture restorer before doing so. 					
Additional information	<ul style="list-style-type: none"> Product care instructions included.
