

Gleeve™: Cut resistant PU palm coated glove with integrated 16" sleeve

A unique concept in hand and arm protection the TTP030PU-G16 Gleeve™ is a PU coated ANSI cut level A4 glove with an integrated 16" sleeve.

Designed to increase worker acceptance, eliminate the need for individual items of PPE and reduce time spent pulling on and off.

Integrated spandex provides a close fitting sleeve which doesn't fall down and reduces the opportunity for potential snag hazards.
