

Every year, Pinhook bottles a new vintage of bourbon and rye, each connected to a promising young thoroughbred.

Pinhook's annual vintages represent the best expression of our barrels at that moment in time, and we blend and proof each release to be as unique as the horse on the label.

True Single Barrel Rye Vertical Series

The True Single Barrel program was created out of the belief that every Pinhook single barrel should be selected on its individuality, rather than its conformity. Each barrel is bottled unfiltered at cask strength to highlight the exact expression which made the whiskey stand out from the crowd.

This is the first of nine years of True Single Barrel bottlings that follow Pinhook's Rye Vertical Series. The Vertical Series is a unique opportunity to follow a group of MGP rye barrels as they age from four to twelve years, and experience the arc of flavors throughout the nine-year journey.
