Circular knitting needle size 8 (5 mm), 36 in. (90 cm) long

MATERIALS NOTE

Sweater is worked from the top down, so the circumference will change as you work. As stitches are increased, you'll need to change to longer and longer circular needles as you proceed.

You can use multiple length needles as listed in our pattern or, if you have a set of interchangeable needles, simply attach additional cords.

If you prefer, the Sweater can be knit on a long circular knitting needle using the Magic Loop technique. Google Magic Loop for how-to videos.

GAUGE

20 sts + 25 rnds = about 4 in. (10 cm) over St st worked in rnds (k every st of every rnd).

BE SURE TO CHECK YOUR GAUGE.

STITCH EXPLANATIONS

TECHNIQUE EXPLANATION

Cable Cast On

Work cable cast on as follows: * Insert right needle between first 2 sts on left needle, wrap yarn and pull through (as if knitting a st), transfer new st to left needle; rep from * for desired number of sts.

NOTES

1. Sweater is worked in one piece from the neck downwards.
2. Work begins back and forth in rows to shape neck. After neck is shaped, Sweater is worked in rounds to underarms. Piece is then divided and sleeves and body are worked separately in rounds down to lower edge.
3. Sleeves are worked in rounds on double pointed needles.
4. When you see work 'even' in the instructions, this means to continue on in the pattern st you have established without changing the st count by increasing, decreasing, or binding off.

YOKE
