## 36V MultiVolt™ 7-1/4" Rear Handle Circular Saw C3607DWA

Metabo HPT introduces a powerful 36V MultiVolt cordless 7-1/4 in. rear handle circular saw that has the lightest\* weight in its class and all the power, ergonomics, and features the demanding professional needs. This cordless rear handle saw offers the power of a corded saw, the freedom of a cordless platform, and the choice to power it with a battery or with the AC adaptor (sold separately). It elevates the MultiVolt System of cordless tools (including nailers) for the residential and commercial jobsite offering every tool a pro would need to run the site cordless.

The C3607DWA 36V Brushless 7-1/4" Rear Handle Circular Saw is part of the expanding MultiVolt system of power tools from Metabo HPT. It accepts any MultiVolt battery for extreme power and can also accept the unique 36V AC adaptor to plug in for all day runtime offering ultimate versatility and power on the GO. It's backed by Metabo HPT's Lifetime tool body warranty and 2-year Lithium Ion battery warranty for peace of mind.
