

JBL HORIZON 2

Bluetooth clock radio speaker with FM

- Customize your morning alarm
- Powerful JBL Pro Sound
- Tune in to your favorite radio stations
- Stream all your music via Bluetooth
- Ambient light
- Two USB ports to charge your devices
- See everything at a glance on the large LCD display
- Easy-to-use rotary control knob

Start your day with JBL Pro Sound.

Wake up to JBL Pro Sound. With its signature round design, ambient LED light and FM radio, JBL Horizon 2 completes any bedroom. A large LCD display clearly shows the time, alarm settings and radio info, while the lifestyle fabric cover blends perfectly with any decor. Choose from a selection of alarm tones or one of your favorite FM radio stations. The easy-to-use rotary control knob lets you set and snooze alarms, adjust the volume or turn the ambient light on and off. Complete with two convenient USB ports for charging your devices, JBL Horizon 2 is the perfect bedside companion.

Features and Benefits

Customize your morning alarm

Personalize your alarm with multiple audio choices. Select your favorite radio station or one of built-in digital alarm tones. Set independent alarms for you and your partner.

Powerful JBL Pro Sound

Whether you're streaming music via Bluetooth or listening to your favorite radio station, fill your room with impressive JBL Pro Sound.

Tune in to your favorite radio stations

The JBL Horizon 2 clock radio can wake you up – or keep you company – with FM radio stations. Three convenient preset buttons take you directly to your favorite stations.

Stream all your music via Bluetooth

Simply connect via Bluetooth and play music from your favorite streaming services or personal playlists. Changeable Bluetooth device name. Compatible with all smart devices.

Ambient light

The ambient light makes it an ideal nightlight. It softly illuminates and enhances your bedroom.

Two USB ports to charge your devices

Charge your phone and tablet, or any two USB-powered devices, with convenient charging ports.

See everything at a glance on the large LCD display

Quickly check the time, date, alarm settings and radio info on the front LCD display. A built-in light sensor automatically adjusts the brightness to suit the lighting of the room.

Easy-to-use rotary control knob

The user-friendly rotary control knob has several convenient functions. Simply rotate the knob to quickly choose your wake time. You can also use it to snooze alarms, adjust the volume and turn ambient light on and off.
