

# NESO GRILL™

**Broden the horizons of your traditions!**

A wind of change is blowing in the world of outdoor cooking with the unique Neso Grill™.

The only evolutionary BBQ in the industry! A multi-fuel grill that contributes to your culinary successes by integrating complementary multifunctional accessories. Making it the most versatile portable BBQ in the world!

This all-in-one allows you to boil, steam, smoke, grill, simmer, using various types of fuels such as gas, natural woods, briquettes, charcoal, wood chips, and pellets.

Its unique design creates natural convection, preserving flavors and ensuring exceptional tenderness. This eco-friendly BBQ saves you money, fuel, and time.

The Neso Grill™ opens up all horizons and culinary traditions found throughout the world, whether they come from the **N**orth, **E**ast, **S**outh, or **W**est. (**O**uest)
