

# NESO GRILL™

**Broden the horizons of your traditions!**

A wind of change is storming through the outdoor cooking world with the unique Neso Grill™.

This is the only evolutive BBQ in the industry!

Its set of accessories make it the only all-in-one outdoor cooking appliance that can:

Grill, sear, boil, steam, smoke, and simmer simultaneously, using the following type of fuels: gas, wood logs, briquettes, charcoal, wood chips, and pellets.

Its unique design creates a natural convection, enhancing flavors and ensuring exceptional results.

These features make the NESO Grill the most versatile and the only eco-friendly BBQ in the world!

The Neso Grill™ opens culinary horizons and traditions from around the world, whether they come from the **N**orth, **E**ast, **S**outh, or West (**O**uest)
