RV Double Burner Induction Cooktop

Mealtime Made Quick and Easy with Induction Cooking.

Make the most of mealtime when you make the switch to induction cooking. Our double burner induction cooktop cooks food faster, using less power. It detects when the pan is in place, channeling the heat into the cookware to minimize wasted energy.

Two cooking modes – power mode and temperature mode

Automatic pan detection

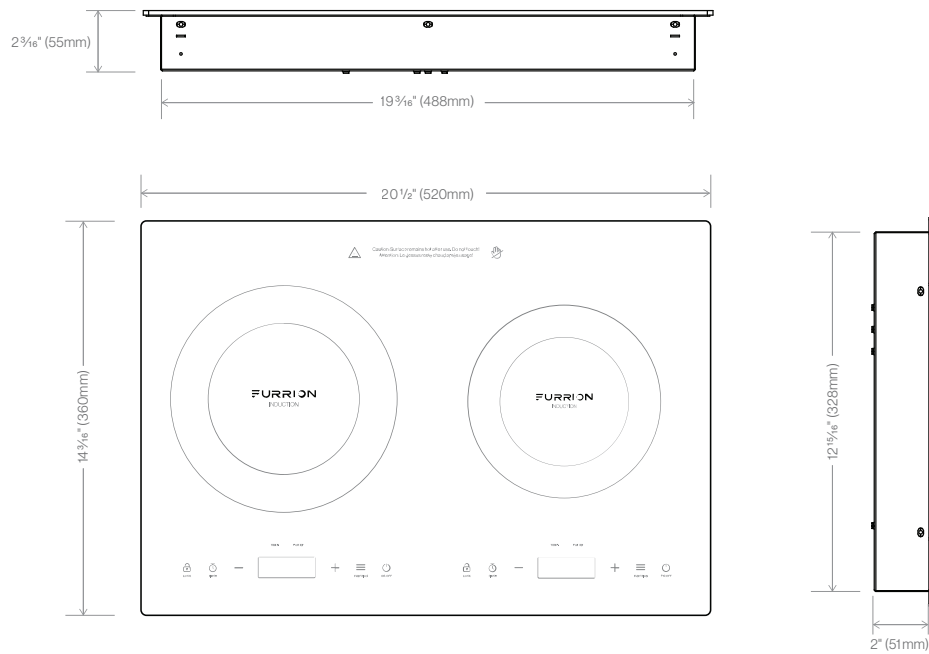

Auto safety shut-off to avoid overheating

Features

- Can be installed flush into a countertop or placed on a table
- Hot surface indicator
- Cooking timer – 1 minute to 2 hours and 59 minutes
- Modern black glass design
- Climatesmart™ to protect against temperature fluctuations
- Vibrationsmart™ reduces wear and tear from road conditions
