COMMON LAMP COLLECTION

DESIGN BY HAY, 2022

Fusing simple design language with a classic archetype, the Common Table and Floor Lamp series comprises a classic rice paper lantern design atop a slim stem and base. Designed as two separate elements that can be used apart or together, they form a harmonious pair, with the airy paper shade complementing the minimalist base perfectly. The lamp base is available as a table and floor variant, which supports the shade to create a soft glow that adds warmth and atmosphere to any space in the home.

HIGHLIGHTS

- Part of a progressive and technologically advanced lighting collection.
- Versatile and functional table and floor lamp series.
- The lamp comprises a classic rice paper lantern design atop a slim stem and base.
- The stem is made of steel, with the base crafted in steel or terrazzo, with both materials available in different colour options.
- The bases are available for use as a table lamp and floor lamp, both variants featuring a standard E27 bulb fitting.
- The lamp is suitable for both private and office environments.
- Qualified for contract use.
