Pop, Play & Pack Away!

2+ Players | Ages 8+

### Aim:

To win the most Heads of History cards.

### Set up:

Place all the cards image face up on the table around the dice dome.

Decide on how many cards you'll collect to win.

For example, 7 works well for a 2 player game and 5 works well for a 3-4 player game.

### Play:

Youngest player goes first.

On your turn press the Pop-A-Top to roll the dice.

All players read the dice to see the date rolled.

One dice shows the century and whether you are matching the birthdate...

or iconic moment... and the other shows the decade...

All players race to grab the Heads of History card closest to the birthdate or iconic moment shown on the dice.

All players turn their cards over and read the dates, the player whose card is closest to the date wins and keeps the card.

All the other Heads of History cards are returned image face up on the table.

Play continues clockwise using the remaining cards.

To win:  
The first player to reach the predetermined number of cards wins!  
For longer gameplay, play until all of the cards have been claimed.
