

# TTP060NBR

## Medium weight cut resistant foam nitrile palm coated glove

The TTP060NBR is our best-selling medium weight NBR glove.

Offered in either a black or Hi-Vis Orange foam nitrile coating to the palm and fingers provides excellent wet grip when handling slightly oily parts.

The ANSI level A5 cut resistant seamless knitted shell provides a close and comfortable fit, maximizing dexterity and reducing hand fatigue. Typical applications include assembly work, metal stamping, automotive production, glass handling and processing.
