

WATER SHOTGUN® SERIES COMMERCIAL PRESSURE WASHER

WS4050V

The WS4050V Water Shotgun is easy to use and designed for the deepest of cleaning. Perfect for paint preparation, professional cleaning services, graffiti removal, industrial job sites, and fleet maintenance. Equipped with a (49-State Compliant) VANGUARD® engine with an electric start. The heavy-duty COMET industrial triplex plunger pump is designed with ceramic pistons and a thermal relief valve for long life. Its dual-belt system separates the engine and pump, preventing overheating and pump fatigue, resulting in greater efficiency and greater longevity in the engine and pump life.

COMET PREMIUM SERIES PUMP

Delivering higher pressure at the nozzle

VANGUARD® V-TWIN / E-START ENGINE

With low engine shut down feature

DURABLE FRAME

Welded steel frame construction with a powder-coated finish for durability and corrosion resistance

PREMIUM ALUMINUM TIRES

For increased mobility across various terrains
