

TTP469

RHINO GUARD™ Sleeve

RHINO GUARD™ is a highly engineered textile composite designed to provide the highest levels of protection against a wide range of puncture hazards. Constructed from an innovative combination of advanced fibers, modified fabric structure and a unique coating technology to deliver high levels of protection against both large and small puncture threats (including needles and syringes).

Uniquely for a puncture resistant material, RHINO GUARD™ also protects against cuts, heat and flame, abrasion and liquids. The 19" full arm sleeve is shaped around the elbow in an ergonomic, comfortable design so it does not restrict movement in the arm. Able to be wiped clean, it is easy to maintain extending the serviceable life of the sleeve

Product Specifications

Product Code	TTP469
Sizes	19" Length Regular & Jumbo **Arm Specific Sizing
Glove Base	Tilsatec – RhinoYarn®
Construction	Engineered woven with cut & sew finishing
Glove Coating	FR Polyurethane
Cuff/Wrist	Velcro closure
Origin	USA or Canada

Packaging

Case Quantity	100 per case
Internal Packaging	10 per bundle

Performance

ANSI 105: 2016

CUT

EN388: 2003

4544

PUNCTURE:

5

HYPODERMIC:

2

Available Sizes

Sizes:

Regular	Jumbo
