

Environmental Product Declaration

Plan Chair Seat upholstretred, 3413

Design story of the product

With its surprisingly minimal footprint and generous comfort, the Plan Chair is ideal for modern spaces that invite a variety of uses, from extensive hospitality and office applications to everyday living. While sturdy and tested for extreme public use, each component of the Plan Chair is prepared for end-of-use disassembly and ease of possible future reparations - designed to last in a circular economy. Plan Chair successfully balances industrial elements and soft humanistic curves with its materiality, tactility, and crafted details.

Company description

Encouraging customers to buy fewer but better products has been at the core of Fredericia's company ethics, ever since we began in 1911. With the ultimate goal of creating furniture that becomes more beautiful with age, intended to be passed down from one generation to the next. These core values are rooted in our sense of responsibility, seen in our use of natural materials, our ethical methods of production and our respect for the people using our furniture every day.

Supplier support

At Fredericia Furniture, we have established partnerships with selected supplier to collaborate in the matter of minimizing the environmental impact of our products. Through our ongoing implementation of a Sustainable supplier selection and Code of Conduct, we ensure that our suppliers meet our conditions regard to human rights and environmental standards among other things.

Design for environment criteria

In the phase of developing new products or re-engineering existing products Fredericia Furniture follows the below listed principles:

- Timeless design
- Long material lifetime
- Crafted to last
- Easing disassembly of products to increase circularity and ease repair of broken parts
- Increase the use of recycled materials

Material declaration

Chair with steel frame, upholstered seat, plywood veneer back finished with water-based lacquer. Inner seat in plywood with CMHR or HR foam covered in fabric or leather. Frame is powder coated tubular steel mounted with plastic glides. Felt glides available.

Environmental data

The whole product incl. packaging material
Recycled content: 73%
Virgin content: 27%

Life cycle assessment data

Climate footprint = **46 kg of CO₂e** in a level 2 screening validated by the Danish Company, Målbar. This result is Målbar's guesstimate on the outcome within the boundaries of 29 - 55 kg of CO₂e.

Environmental Certifications:

Oak and Ash are FSC® Certified.
EU Ecolabel variants: Modernist Green, Bordeaux or black powder-coated frame together with upholstery in Omni leather, Connect, Remix, Re-wool or Steelcut Quartet fabric

Test

EN 16139:2013, L2: Extreme use

Warranty

Fredericia Furniture A/S offers a 7-year guarantee against manufacturing defects in standard products (materials and construction). The warranty does not cover wear and damage to covers, surface treatment, inappropriate use and the like.

Disclaimer

Be aware of the variety of assumptions when comparing different EPDs and life cycle assumptions from different companies. The level of detail of the assessments across the industry can vary. This is a Self-declared Environmental Claim compliant with ISO 14021.

Content Declaration

The charts below describe the materials used in the product.

MATERIAL	MASS [KG]	SHARE	CONTENT
Steel	4,8	68%	Recycled
