

Plan Table Extendable

By Edward Barber & Jay Osgerby, 2022

Model	6632 - Extendable 200 / 260 x 100 cm
About	The Plan Table Extendable is designed for flexible collaboration spaces, restaurants, and private homes. While conventional extension tables are fitted with rather complicated extension mechanisms, the Plan Table extension table has aimed to simplify the tool as much as possible – with the principle that reducing complexity prolongs a product's life. The newly developed Fredericia extension mechanism runs without wires and can be easily handled by one person. It allows for two additional seats or just a convenient extra space to be added to the table. The other table is stored under the table while not in use.
