

JARDAN

SPECIFICATIONS

PIP19\_S

# Piper

Piper’s delicate colourways takes its inspiration from the Australian Gum tree and process of glassblowing. Due to the organic nature of glassblowing, each Piper has a unique form and may contain colour variations and tiny bubbles.

## Finishes

Specifications

Crafted

Australian made since 1987, our lighting takes shape at our Design + Manufacturing HQ in Melbourne.

Certification

Fitting

Installation

Pendants must be wired, fitted and installed by a licensed electrician exclusively using the jardan components. Gloves must be worn during installation to prevent patina of the brass.

Suspension

The pendant drop is 250cm of cable provided which can be trimmed as required during installation.

Care

Cleaning

Wipe glass with dry micro-fibre cloth, ensure lamps are turned off when cleaning.

Maintenance

Raw brass components will develop a natural patina over time or during handling, ensure gloves are worn when handling.
