STITCH EXPLANATIONS

M1 (make 1) An increase worked by lifting the horizontal strand lying between needles and placing it onto the left needle. Knit this new stitch through the back loop – 1 st increased.

sk2p (slip 1, k2tog, pass over) Slip 1 as if to knit, knit 2 together, pass slipped stitch over – 2 sts decreased.

sp2p (slip, p2tog, pass over) Slip 1 as if to purl, purl 2 together, pass slipped stitch over – 2 sts decreased.

NOTES

1. Pullover is made in 4 pieces: Back, Front, and 2 Sleeves.
2. Pieces are worked separately, back and forth in rows, from lower ribbing upwards.
3. Snowperson pattern on Front is worked in intarsia colorwork following a Chart. Bobble for Snowperson's hat is worked separately and sewn to Front.
4. When working intarsia, do not carry yarn across WS of work between color changes, use a separate ball of yarn for each section of color. When changing color, twist yarns on WS to prevent holes.
5. Arms of Snowperson are embroidered in stem stitch. Snowflakes, eyes, mouth, buttons, and carrot are worked in duplicate st.
6. Yarn color is changed following Sleeve Stripe Sequence to make stripes on Sleeves. Do not cut yarn colors until instructed. Carry color not in use carefully up side of piece.
7. A circular needle is used to accommodate the stitches. Work back and forth in rows on circular needle as if working with straight needles.
8. When you see work 'even' in the instructions, this means to continue on in the pattern st you have established without changing the st count by increasing, decreasing, or binding off.

Duplicate stitch Embroidery

The snowflakes are worked in duplicate st. A duplicate st is worked over the top of your original st, 'duplicating' the st in a new color.

With B, following Snowflake Chart(s) of your choice, embroider duplicate st snowflakes randomly around snowperson.

Following Snowperson Chart, duplicate st eyes, mouth, and buttons with D, and carrot with E.

Here's how to duplicate st:

1. Thread your blunt needle with a 24 in. (61 cm) length of yarn in indicated color.
2. Find the first stitch you would like to embroider. You'll see that the sts look like V's.
3. Bring your threaded needle through the fabric, from the wrong side out to the right side at the point of the V.
4. Now slide the needle under the stitch ABOVE the one you're duplicating.
5. Now insert the needle from front to back at the same point you began. You will have made a V in indicated yarn color over the V in the background color!

6. Continue in this same way to embroider all the sts on the chart.

7. When you're finished, bring the yarn through to the wrong side of the fabric and knot.

With D, using photograph as a guide, embroider stem stitch arms.

Place markers on sides of Front and Back, about 7 (7 1/2, 8, 8 1/2) (9, 9 1/2, 9 1/2, 10) in. (18 (19, 20.5, 21.5) (23, 24, 24, 25.5) cm) from shoulder seams.

Sew Sleeves between markers.

Sew side and Sleeve seams.

Weave in ends.
