

ENKA PENDANT

Product Specification

Tom Raffield

Rooted in Scandinavian serenity, the Kera Lighting Range contrasts clean, sculptural lines with raw, natural materials that intrigue your sense of touch. The beautifully simple silhouettes showcase minimal design that will transform your extraordinary interiors.

Exuding calm, the Enka Pendant celebrates the relationship between two traditional crafts. Working in harmony, a steam bent arch of sustainably sourced ash wood provides an aura for the dome-shaped, hand-glazed earthenware lampshade. Secured with luxurious brass flourishes, the ceramic Enka ceiling light is perfectly balanced to set a serene scene with soft ambient downlighting. Perfect for relaxing bedroom spaces, Scandi kitchens and soothing self-care sanctuaries, the Enka's contemporary dome design suits a myriad of spaces.
